## Final Message from Barbara Ross, President

*As this is my final message as President of the Friends of the Senior Center, Inc., I would like to take this opportunity to thank everyone, from our Board of Trustees to our faithful BINGO followers, for your support and participation throughout the years. The FRIENDS have made tremendous strides in providing different fundraising events for your enjoyment in the past five years; and, it has been an honor and a pleasure to have been a part of that accomplishment. Please continue to support our events (and the Center as a whole) as well as the new slate of officers. You will still see me around, working hard for the Friends, as I take back seat and assist them whenever I can.*
