About MCAT

Middlesex County Area Wide Transit (formerly AWTIS) is a Share Ride Service for routine medical appointments. Due to demand and availability, you may be required to be ready up to an hour prior to your doctor's appointment. You may also need to wait until all patients are ready at the same location, before being transported back to your residence. By complying with the above, we will be able to service more residents at the same time.

When calling for reservations (732) 521-6100, please provide the following:

- A Minimum of 3 to 5 working days notice to schedule service
- Your name, street address, community and phone number

- Doctor's appointment time - please schedule appointments as follows:
Monday through Friday between the hours of 9:30 a.m.-10:30 a.m. and 1:30 p.m.-3:00 p.m.
Princeton runs—Second and Fourth Thursday of every month, only between the hours of 9:30 a.m.-10:30 a.m.
Hightstown runs—Third Tuesday of every month, between the hours of 9:30 a.m.-10:30 a.m.
- Doctor's name, address and phone number
- Let us know if you are in a wheelchair (Space for an aide is provided)
- Advise us if the transportation will be one way or round trip.
- Let us know if you have previously registered with our office.

Cancellations-call (732) 521-6100 available 24 hours a day, please leave a message.

*Important—call within 2 hours of your scheduled pick-up.

******It is your responsibility to notify us of any changes. This service is to and from the doctor's office. Please do not accept any offers for a ride home from a friend or neighbor. By doing this, it could cause a disruption in service. Your cooperation is greatly appreciated.
